

DASHBOARD - GETTING STARTED

- On this page you will see the 8 Standards that your club or organisation should be meeting to keep children and young people safe.
- Choose any Standard to work through by clicking **Start** next to it. It is probably easiest to work your way through all the requirements across the 8 Standards at once, however you can choose to complete them separately if you wish.

- As you assess your club against each requirement, the bar chart will update. The total number of requirements answered for each Standard, and how you have answered them, will be shown as a percentage along with the relevant colour across the bar. This will help you to see your progress at a glance.
- The 'Overall Progress' bar at the top of the page, shows this in the same way but across all the Standards.
- The number of 'In Place' answers will show on the bar as green (this section of the bar will also include any 'Not Applicable' answers), 'Getting There' answers as amber, and 'Not in Place' as red.

- If you have still to make an assessment against a particular requirement, this will show up in grey.
- You can view your progress by clicking on **Dashboard**, at the top of your screen, at any time.

- Once you have completed your assessment for any Standard, the button next to it will show as **Actions**. This will take you into the action planning area. Here, you can make a note of the actions needed to help you meet each Standard.

1	Every child is respected without discrimination	100%	Actions
2	Every child's wellbeing is promoted, supported and safeguarded	50% 18% 32%	Actions
3	Every child is protected from abuse when taking part in our sport	36% 27% 36%	Resume

- The button will show **Resume** if you have not yet completed your assessment against all the requirements in the standard.
